Number	develop confidence with number sequences to and from 100 by ones from any starting point. Skip count by twos, fives and tens starting from zero	ACMNA012	Number	recognise, represent and order numbers to at least 120 using physical and virtual materials, numerals, number lines and charts	AC9M1N01	Recognise, represent & order numbers	Count numbers to 120 Read & write numbers to 100 Compare & order numbers to 100 Read, write & order numbers to 200 Identify ordinal numbers to 31st
	recognise, model, read, write and order numbers to at least 100. Locate these numbers on a number line	ACMNA013		partition one- and two-digit numbers in different ways using physical and virtual materials, including partitioning two-digit numbers into tens and ones <b>NEW</b>	AC9M1N02		
	count collections to 100 by partitioning numbers using place value	ACMNA014			quantify sets of objects, to at least 120, by partitioning collections into equal groups using number knowledge and skip counting	AC9M1N03	Count in groups
	represent and solve simple addition and subtraction problems using a range of strategies including counting on, partitioning and rearranging parts	ACMNA015		add and subtract numbers within 20, using physical and virtual materials, part-part-whole knowledge to 10 and a variety of calculation strategies	AC9M1N04	Add & subtract within 20	Combinations that add up to 20 Addition & subtraction strategies Explore equality & inequality
				use mathematical modelling to solve practical problems involving additive situations including simple money transactions; represent the situations with diagrams, physical and virtual materials, and use calculation strategies to solve the problem	AC9M1N05	Add & subtract problems within 20	Add & subtract practical problems within 20
				use mathematical modelling to solve practical problems involving equal sharing and grouping; represent the situations with diagrams, physical and virtual materials, and use calculation strategies to solve the problem	AC9M1N06	Multiply & divide by grouping	Explore arrays & repeated addition Equal sharing & grouping
	recognise and describe one-half as one of two equal parts of a whole <b>MOVED TO Y2</b>	ACMNA016					
	recognise, describe and order Australian coins according to their value <b>REMOVED</b>	ACMNA017					
Algebra	develop confidence with number sequences to and from 100 by ones from any starting point. Skip count by twos, fives and tens starting from zero	ACMNA018	Algebra	recognise, continue and create pattern sequences, with numbers, symbols, shapes and objects, formed by skip counting, initially by twos, fives and tens	AC9M1A01	Skip Counting Patterns	Pattern sequences
	investigate and describe number patterns formed by skip-counting and patterns with objects	ACMNA018		recognise, continue and create repeating patterns with numbers, symbols, shapes and objects, identifying the repeating unit	AC9M1A02	Patterns	Repeating patterns
	investigate and describe number patterns formed by skip-counting and patterns with objects	ACMNA017
